

Vision:

Empowering the Rural youth for facing the challenges of the world.

Mission:

Creating facilities to inculcate global skills and value systems among the rural students by providing computer literacy, communication skills and holistic approach with excellence leading towards national development

Distinctiveness:

- Providing access to higher education for rural and under privileged students at affordable cost.
- We are proud that ours is the premier institution with better infrastructure than the peer institutions in this backward locality providing the rural and under privileged communities an affordable and easy access to higher education.
- The college has 100 students from rural areas and most of the students are first generation learners.
- Since most of the students belong to BPL families their parents are unable to get their children educated in urban areas.
- The most glorious feature is that 85.41 of students belong to OBC and 12.96 students belong to SC/STs.
